OHIO STATE HEISMAN AUTOGRAPHED PRINT

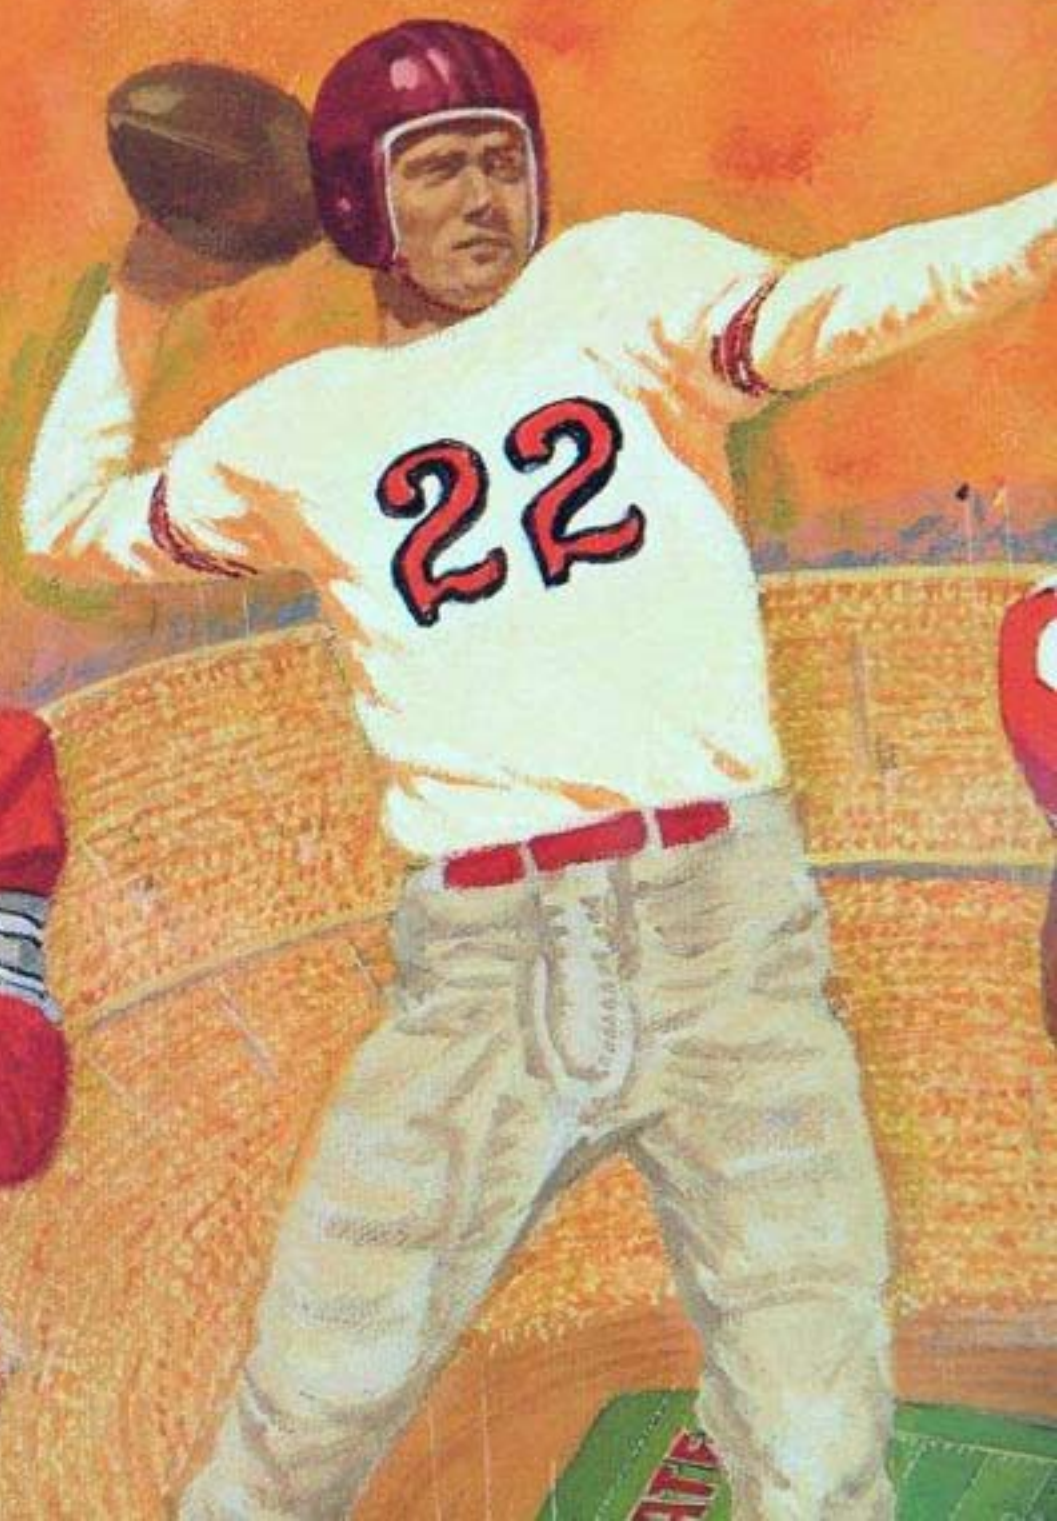

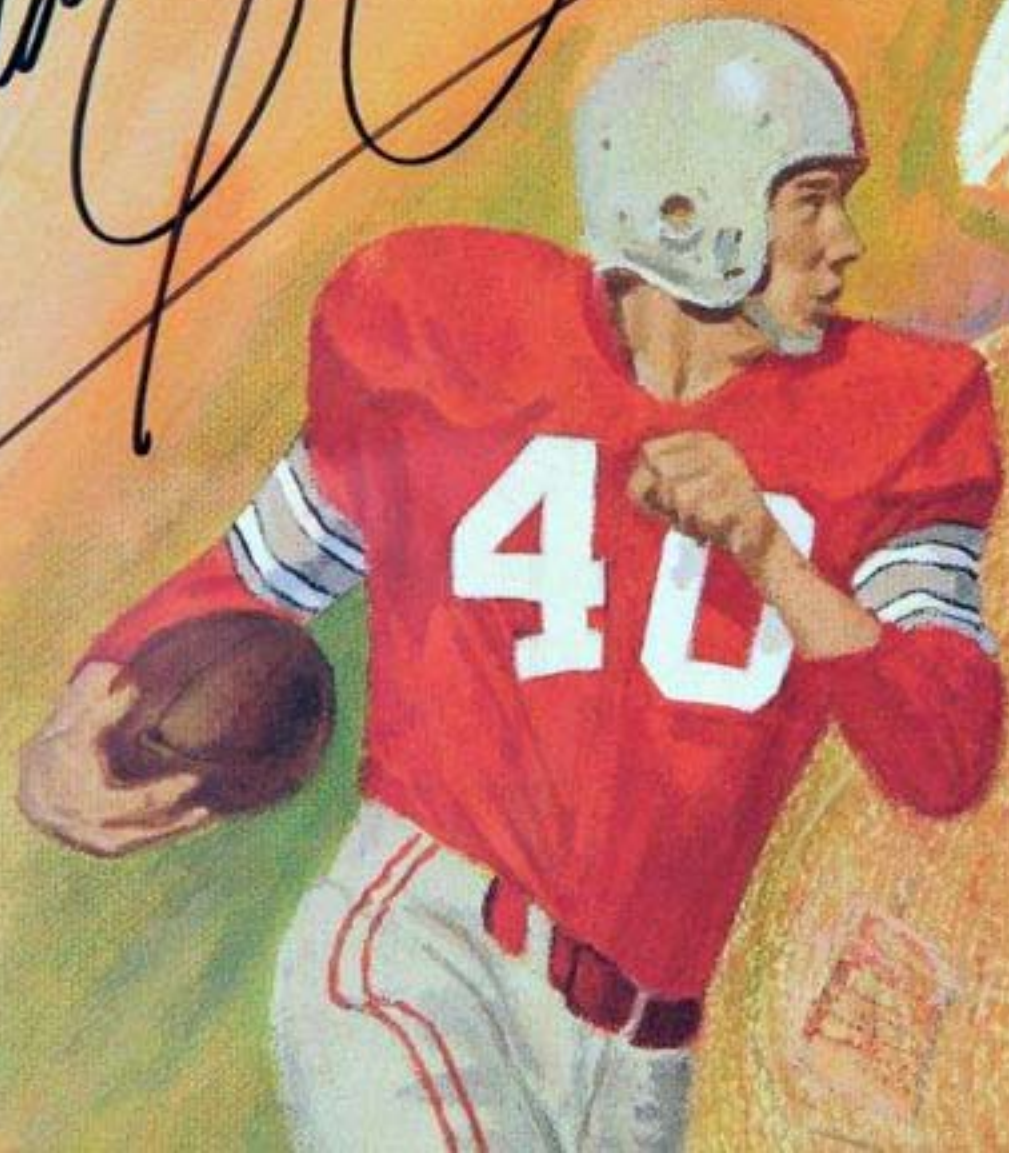

This is the “*granddaddy of ‘em all*” in Ohio State collectibles! This print was produced from the original painting by renowned sports artist Nick Leaskou in 1993. These commissioned prints were available in very limited numbers for only one home game during the 1994 season. Further, very few of the prints were autographed by the first four Heisman Trophy winners in Buckeye history: Les Horvath (1944 winner), Vic Janowicz (1950 winner), Howard Cassady (1955 winner), and Archie Griffin (1974 & 1975 winner). In 2008, Talis Sports Marketing in Columbus, Ohio contracted with Eddie George (1995 winner) and Troy Smith (2006 winner) to sign this print as well, thus completing this very rare collectible to include each autograph of all the Ohio State Heisman Trophy winners.

This item is one of the few known pieces of any kind to include each autograph on one item. Sadly, this is also one of the final autographs of Mr. Horvath and Mr. Janowicz as they passed away in November, 1995 and February, 1996 respectively.

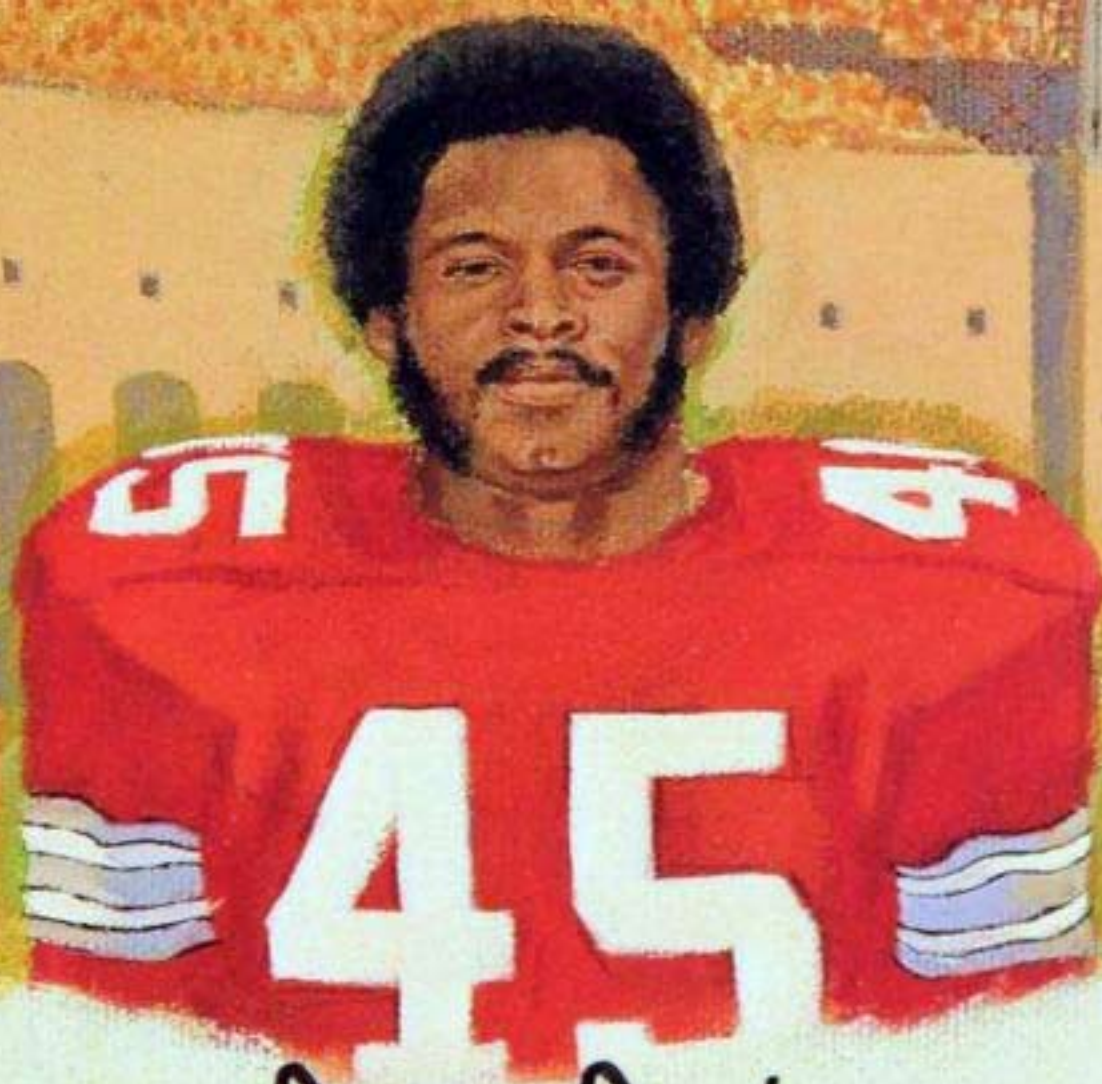

To safeguard this rarity, the item has been professionally framed using acid free matting and UV protecting glass.

Appraisal value for this item has been placed at \$1,500.00

Handwritten signature: "C. Miller" with "27" written below it.
